This race is to remember Ryan and Lindsey and their accomplishments in life. Ryan and Lindsey both attended Old Town High School and were tragically taken from us on September 21, 2005. Their magnetic personalities brought all people together no matter what age or race. To honor them, we have started a scholarship in their names to help Native and non-Native high school graduates to attend college. This is something we know would make them proud, as they both had aspirations to attend college.

*Not only do you honor us with your presence in attending the **Remembrance 5K Run/Walk**, but we would also like everyone who attends to give honor and remembrance to their past loved ones.*

**The families of Ryan and Lindsey would like to thank those who will be participating.**

**Your donation and support are very much appreciated.**
