at Bowdoin College

Featuring Olympic Gold Medal winner Dick Fosbury (1968 High Jump Gold Medal), and five-time Olympian Francie Larrieu-Smith (set 31 American records during her career).

The Dick Fosbury Track & Field Camp is designed to strengthen athletic skills and build a winning attitude. Top technical coaching is the heart of our program, but we also emphasize discipline and sportsmanship. High quality coaching with one-on-one attention is offered for the following events:

**hurdles, sprints, triple jump, long jump, high jump,
pole vault, discus, javelin, shot put, hammer,
race walk, middle distance, long distance**

Each athlete receives personal and group coaching from the camp's staff of coaches who have had success at the high school, college, and Olympic level. This year's coaches will include 2008 Nike Outdoor National High School Champions Becky O'Brien (shot put) and Dave Slovenski (pole vault).
