- Trainers will be available track side.
- Excellent sportsmanship is expected. Officials are prepared to disqualify any athlete who swears, throws a baton or turns to taunt opponents.
- Athletes are not allowed in the infield except when requested by officials.
- A corral system will be utilized for heats of the running events (Penn Relays style), so athletes should be prepared to report fully prepared to race.

- Teams should bring their own blocks. Make sure you label them with your school name.
