Perry team finishes on to

by Carolyn Curioli

The Cal Ripken League of Washington County finished out the season this year on June 16. The league consists of four teams: the Eastport Red Sox, the Perry Cubs, the Edmunds Jets and the Pembroke Mets. The coaches for the teams were Tom Critchley, Frank Lank, Joe Seeley and Shane Curtis, respectively.

This year, the coaches decided that there would be no all-star team because most of the teams consisted of younger players. The teams had an all-day play-off series at the Suddy Memorial Field in Eastport, excepting the Eastport Red Sox because they did not win enough games
