

2016 Class B State Track Meet

Spectator Parking/Shuttle Route

Due to the limited parking space available at the indoor track facility this year, alternative parking at the Lewiston High School has been established. Shuttle buses will be running from the Lewiston High School parking lots to the Bates Indoor Track Facility and back starting at 10:30 AM (departures about every 15 minutes) and continuously run through 30 minutes after the awards ceremony. Drop off will be at the front of the Indoor Track Facility.

Parking at the facility will be for meet officials, and handicap parking only.
