

## The Duval Dash 5K and 1 Mile Fun Run

Come join the Duval lineage celebrate 100 years by running this race that will never happen again.

July 3rd, 2016

Both races start at 8am.

### Course:

Both courses start at the same place in front of Cedar Ridge Outfitters on Attean Road.

The 1 mile race goes toward State Route 201 then turns around and heads back to the start.

The 5K is also an out and back course. It follows the 1 mile route except when you get to State Route 201 you turn left and head toward Jackman's downtown district. The turnaround is close to Birch Street. We reserve the right to change this course since I have never been to Jackman and am doing this with google maps but the start will still be at Cedar Ridge Outfitters.

Cost: Free, you just have to be willing to come to Jackman.

### Prizes:

Prizes will be awarded to at least the top male and female finishers in the 5K and 1 mile.

Possibly if funds are plentiful then others may be provided.
