

**SUB 5 TRACK CLUB  
COLLEGE SCHOLARSHIP APPLICATION**

The Sub 5 Track Club, founded in 1982 in the Bangor-Brewer area, is one of the largest and most active running clubs in the State of Maine. One of the club's primary goals is to promote and encourage long distance running and track and field as a competitive sport and as a means of life-long enjoyment. To further this goal we have established the Sub 5 College Scholarship. It is our hope that this scholarship will give recognition to some of the area's most talented student-athletes and encourage them to continue their competitive careers at the collegiate level. The requirements for the scholarship are as follows:

1. The student-athlete must be a senior who has competed in cross country and/or track and field for a high school that is a member of the Penobscot Valley Conference.
2. The student-athlete must have plans to compete in cross country and/or track and field at the collegiate level.

Two scholarships in the amount of \$1500 and will be disbursed directly to the recipients and their college upon completion of the first college semester. There will also be a presentation at the Walter Hunt Memorial 3K Road Race in Bangor on July 4, 2017. The criteria for selection are the level of excellence achieved by the student athletes, the answers to the questions below, and the recommendation.
